Summary

As the Director of Operations at Alpha Solutions, I oversee all aspects of project execution, team management, and client delivery. My focus is on creating efficient systems, building strong cross-functional collaboration, and ensuring every project aligns with our mission to empower businesses through technology.

I work closely with our development, design, and strategy teams to deliver web and mobile solutions, digital branding, and eCommerce growth strategies that help clients scale globally.

With a passion for leadership and innovation, I thrive on turning challenges into opportunities and driving sustainable growth for both our clients and Alpha Solutions.
